

AGS Virtual Conference Exhibit & Sponsor Info

Each year, the support received by our exhibitors and sponsors provides the funding AGS needs to continue serving the glovebox/containment industry. In return, AGS offers vendors an opportunity to network and provide product/service information to the industry. This relationship is important and we are making it a priority to develop a package that will allow our vendors to meaningfully engage virtually with attendees.

Below is an *at a glance breakdown* of the the virtual exhibitor/sponsorship benefit package. This package provides marketing across several platforms including the AGS website, social media sites, and the conference app.

VIRTUAL EXHIBIT BOOTH

For each exhibitor we will create an interactive virtual experience. Each exhibitor will receive a beautifully designed virtual booth, featuring the company information that you choose to provide. This can include, at your discretion:

- Company logo & banner
- Product photos
- Downloadable documents
- Videos

Each exhibit booth includes 2 full conference registrations (includes AGS membership and access to booth & conference sessions) and 2 additional booth-only representatives (does not include AGS membership or access to conference sessions). Additional conference registrations may be purchased at \$395 each. Additional booth-only representatives may be purchased at \$150 each.

Note: Network level does not include an exhibit booth so registration and membership is not included in this package.

10 MINUTE DEMOS

Gold, Silver, Bronze, and Network Sponsors will have the opportunity to offer a 10 minutes live demo or presentation. These presentations will not only be live to paid conference attendees, they will also stream across social media so that non-attendees can see your demo/presentation. Sponsors will be contacted for scheduling.
